

Solar Water Pump

Features

- ☀ High efficiency water pumping
- ☀ Able to function in overcast conditions
- ☀ Robust stainless steel design
- ☀ Long life of operation up to 15 years

Part Number	Watts	Number of Litres pumped per day
SLCY102	12	422 Litres
SLCY204	24	478 Litres
SLCY306	36	678 Litres
